**Re: CALCTP Repeated Application for Confidential Designation**

Dear Docket Unit:

I am writing on behalf of ICF, a program administrator for the California Advanced Lighting Controls Training Program ("CALCTP") ("Applicant") to submit this repeated application<sup>1</sup> for confidential designation of certain specified versions of CALCTP's online NRCA forms as part of our application to become a Lighting Control Acceptance Test Technician Certification Provider under California Code of Regulations, Title 24, Part 6, § 10-103-A ("Amended Lighting Control ATTCP Application"). These documents are submitted under Docket 13-ATTCP-01.

On November 26, 2013 the CEC granted confidentiality for curriculum and testing materials as part of the Applicant's efforts to become a Lighting Controls Acceptance Test Technician Certification Provider. The confidential material consists of training modules addressing various technical areas an Acceptance Technician would need to demonstrate competence in before being certified. This material was updated in 2016, and was again granted confidentiality.

On June 20, 2019 CALCTP submitted the following CALCTP ATTCP forms update materials to reflect changes in the 2019 edition of Title 24 and to make various editorial improvements in the curriculum, along with a request for confidentiality for these documents:

1. CALCTP NRCA-LTI-02-A form, 5 pages
2. CALCTP NRCA-LTI-03-A form, 8 pages
3. CALCTP NRCA-LTI-04-A form, 6 pages
4. CALCTP NRCA-LTI-05-A form, 4 pages
5. CALCTP NRCA-LTI-02-A form, 4 pages

---

<sup>1</sup> Cal. Code Regs., tit. 20, § 2505(a)(4) (repeated applications for confidential designation).

On July 19, 2019, the Executive Director of the California Energy Commission granted the request.

In response to staff comments received on May 7, 2020, CALCTP is submitting the following revisions to the 2019 CALCTP ATTCP Curriculum Update materials, and an application for confidential designation for these materials:

1. CALCTP NRCA-LTI-03-A form, 8 pages
2. CALCTP NRCA-LTI-05-A form, 4 pages
3. CALCTP NRCA-LTI-02-A form, 4 pages

As stated above, on July 19, 2019, the Executive Director of the California Energy Commission granted confidential status to the 2019 CALCTP ATTCP Curriculum Update materials. The materials submitted on January 22, 2020 contain revisions and edits to the July 19, 2019 submittal and are thus substantially similar to the previously submitted information and all facts and circumstances relevant for confidentiality remain unchanged. Therefore, the January 22, 2020 amended application materials should be designated as confidential under the repeated application provision of the Commission's Title 20 regulations.<sup>2</sup>

Per my communication with the CEC, we do not need to re-file the above listed documents, but just identify them – by title and number and pages – so that the CEC can confirm that this cover letter applies to each of the documents. Accordingly, we have not re-filed the documents but submit only this cover letter.

Please contact me right away if there is any question as to which documents are to be kept confidential.

I certify under penalty of perjury under the laws of California that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge and that I am authorized to make the application and certification on behalf of the Applicant.<sup>3</sup>

Sincerely,

**Mark V. Ouellette**
