### Financial Statement and Information

Silicon Valley Power is an enterprise of the City of Santa Clara and was established in 1896. On a not-for-profit basis, Silicon Valley Power owns power generation facilities, has investments in joint ventures that produce electric power, and trades power on the open market. These efforts are directed toward ensuring its retail customers—the citizens, organizations and business of the City of Santa Clara—a highly reliable source of electric power at low, stable rates.
