Notice of Prelaunch Webinar for the Sonoma Coast Incentive Project

Additional submitted attachment is included below.

Attend the Sonoma Coast prelaunch webinar

Starting on **July 8, 2020**, businesses, workplaces, multifamily properties and local governments in Sonoma and Mendocino counties can apply for new incentives for electric vehicle chargers. The Sonoma Coast Incentive Project will offer up to \$7,500 per Level 2 connector and up to \$80,000 per DC fast charger for eligible applicants.

Join panelists from the Center for Sustainable Energy, California Energy Commission and Sonoma Clean Power for the upcoming webinar. We'll cover site and equipment eligibility and walk through the application process. Following the presentation, panelists will host a Q&A session.
