Requirements Webinar**

Additional submitted attachment is included below.

EV charging incentives coming to Peninsula-Silicon Valley

Launching this fall, the Peninsula-Silicon Valley Incentive Project will offer substantial incentives to help cover the cost of installing new EV chargers on commercial, multifamily, local government and nonprofit properties in Santa Clara and San Mateo counties.

Join panelists from the Center for Sustainable Energy, California Energy Commission and regional partner organizations for our upcoming webinar. We'll provide an overview of the project, including funding, rebate amounts, eligibility and more.

Requirements for the Peninsula-Silicon Valley Incentive Project

Tuesday, June 23
10 a.m. - 12 p.m.
