Subject: **EASTSHORE ENERGY CENTER (06-AFC-6) STATUS REPORT 7**

Pursuant to the Second Revised Committee Scheduling Order dated July 2, 2007, the following is staff's Status Report 7 for the Eastshore Energy Center (Eastshore).

Status of Preliminary Staff Assessment

The Eastshore Preliminary Staff Assessment (PSA) was published on August 17, 2007.

The PSA has concluded that even if all mitigation measures and recommended conditions of certifications are adopted by the Commission and implemented by the applicant, all applicable laws, ordinances, regulations and standards (LORS) will not be complied with and significant adverse indirect environmental impacts to Land Use and Traffic and Transportation would likely result from the Eastshore project.

Schedule

The project is being reviewed under the 12-month Application for Certification (AFC) process. Staff will conduct a public workshop on the PSA on September 6, 2007 at the Hayward City Hall. Staff anticipates publication of the Final Staff Assessment in October 2007, which will address all comments on the PSA.
