August Business Meeting Item 6 Local Ordinance Applications

I support adoption of these reach codes. I also urge the CEC to build off local leadership and take electrification further by setting an all-electric baseline for new construction in the 2022 building code.

I live in San Francisco. My son Jeff Price and his wife and my two grandchildren moved to Davis CA in 2019. As a family, we all hope that this forward-looking ordinance is adopted so that our children and grandchildren will have a healthier sustainable world.

Thank you, Stephanie Ellis
