The California Energy Commission is cancelling Session 2 of the afternoon portion of today's IEPR commissioner workshop on clean transportation funding scheduled for 2:00pm on August 19, 2020. Session 2 included a panel discussion on "Approaches to Assessing Funding Program Benefits."

The afternoon session is cancelled to encourage energy conservation in response to unprecedented stress to the grid due to the heatwave. A Flex Alert has been called and all Californians are being asked to do their part to conserve electricity on August 19, 2020, from 3 pm to 10 pm.

We anticipate sending out a public notice to reschedule the afternoon portion of this workshop at a later date. We apologize for any inconvenience this causes.

Thank you for helping us do our part to conserve electricity, reduce stress on the grid, and meet the needs of this Flex Alert.

For general questions about this proceeding, please contact Raquel Kravitz at raquel.kravitz@energy.ca.gov or (916) 651-8836.
