Dear Mr. Lee:

Thank you for your email. BAAQMD is intending to participate in the Great Oaks South Conference Committee on September 23.

Thanks,

Jakub

**Subject:** California Energy Commission (CEC): invitation to September 23, 2020 Committee Conference

Dear Mr. Zielkiewicz,

I am one of the Hearing Officers assigned to the CEC Committee (Committee) designated to conduct proceedings in review of the application for a small power plant exemption (SPPE) for the Great Oaks South Backup Generating Facility (20-SPPE-01). Information about the project may be found on the CEC's [project web page](#).<sup>[1]</sup>

We appreciate the participation of the Bay Area Air Quality Management District (BAAQMD) at the Committee's July 13, 2020 Committee Conference. And we note that BAAQMD expressed interest in contributing to the CEC's review of projects involving backup generators in the Bay Area, including recently when Henry Hilken commented on the Sequoia project at the CEC's business meeting on September

9, 2020.

I write to inform BAAQMD of an opportunity to provide further public comment at the Committee's September 23, 2020 Committee Conference for the Great Oaks South Backup Generating Facility. [Here is notice of the event.](#)<sup>[2]</sup> The Committee is interested to know whether BAAQMD intends to participate further in this proceeding and the extent to which it may have any further concerns or comments.

We would welcome a response indicating whether BAAQMD will attend the Committee Conference. But please note that when responding, do not include substantive information. Note that this email and your response to it will be filed in the docket of the proceeding.

Sincerely,

Ralph
