Subject: **ALAMITOS ENERGY CENTER (13-AFC-01) STATUS REPORT 7**

On November 5, 2014, AES was awarded a Power Purchase Agreement for the Alamos Energy Center (AEC), with different equipment, configuration, and fewer megawatts than the information submitted to the Commission in the Application for Certification (AFC). AES is currently developing an engineering design required to prepare a Supplemental Application for Certification (SAFC). Submittal of the SAFC is expected in August-September 2015. The commercial operation date for the Power Purchase Agreement signed with SCE would be March 1, 2020.

Staff has no new information to report this month and requests that unless it hears otherwise from the Committee, the next status report will be submitted July 15, 2015.
