CEC-57 (Revised 1/19)

## **NOTICE OF RECEIPT**

### **PETITION FOR POST CERTIFICATION PROJECT CHANGE**

#### **Genesis Solar Energy Project (09-AFC-08C)**

On September 16, 2020, Genesis Solar, Inc. filed a post certification petition with the California Energy Commission (CEC) for the Heavy Equipment Parking Cover petition to amend. The filing of the petition was completed on December 4, 2020, with the receipt of the filing fee. The 250-megawatt (MW) project was certified by the CEC in September 2010 and began commercial operation (Unit 2) in November 2013. The facility is located at 11995 Wileys Well Road in Blythe, Riverside County, California.

### **SUMMARY OF PROPOSED CHANGES**

This request includes the following changes:

The owner, Genesis Solar, LLC, proposes to construct a covered heavy equipment parking structure that will create permanent open-air shade for parking of heavy equipment. The structure would be constructed of steel with concrete foundations. The approximate size of the structure is 200 feet wide, with eight low bays and two high bays. The low bays are 12 high by 12 feet deep; the high bays are 20 feet high and 40 feet deep.

This Notice of Receipt has been mailed to the facility's mail list of interested parties and property owners adjacent to the facility site. The petition requesting the project change has been docketed and is available on the CEC's webpage for this facility at:

[https://ww2.energy.ca.gov/sitingcases/genesis\\_solar/](https://ww2.energy.ca.gov/sitingcases/genesis_solar/)

### **REVIEW PROCESS**

The review process includes an evaluation of the change and the possible significant effect on the environment, compliance with applicable laws, ordinances, regulations or standards and if a change to or deletion of a condition of certification is required.

After staff has completed its independent review and analysis of this petition, staff will publish an assessment for public review and comment. Staff will also provide written notice of its intent to either process the proposed changes as a staff-approved project change or schedule the project change to be heard for consideration by the CEC at a regularly scheduled business meeting.

### **PUBLIC PARTICIPATION**

Any person may comment or file an objection. To use the CEC's electronic commenting feature, go to the CEC's webpage for this facility, cited above, click on the "Submit e-

## GENESIS SOLAR ENERGY PROJECT - Notice of Receipt
