| Project Title: | Development of the California Energy Commission Electric Program Investment Charge Investment Plans 2021-2025 |
| TN #: | 236274 |
| Document Title: | Requesting CEC participation of match for DE-FOA-0002206 |
| Description: | N/A |
| Filer: | Cody Goldthrite |
| Organization: | SunSpec Alliance |
| Submitter Role: | Public |
| Submission Date: | 1/12/2021 9:13:31 AM |
| Docketed Date: | 1/12/2021 |

My comment is, 'Requesting CEC participation of match for DE-FOA-0002206'

This FOA total is \$65M; individual awards vary between \$3 to \$7 million; requires 30% cost share.

SunSpec is in the process of submitting the connected communities concept paper.

Appreciate any contact details of the Commissioner's office to pursue a support letter with match participation. Thanks a lot.

Best Regards
