SUBJECT:	Alamitos Energy Center, Noise and Vibration, Preliminary Staff Assessment		
<p>Staff held a conference call with representatives of AES to exchange information regarding the preliminary staff assessment (PSA) (TN: 212284). The following items listed below were discussed:</p> <ul style="list-style-type: none"> • Applicability of the City of Long Beach Municipal Code sections 8.80.150 (Exterior noise limits—Sound levels by receiving land use district) and 8.80.160 (Exterior noise limits—Correction for character of sound). • Staff’s California Environmental Quality Act (CEQA) impact analysis for routine operation. • Staff’s CEQA impact analysis for construction, including nighttime concrete pours and pile driving activities. <p>The conference call allowed for an exchange of information and for staff to provide clarity on its approach to analyzing the items listed above. As a result of the discussion, the applicant issued comments on the Noise and Vibration PSA (TN: 212487) which provide additional details on the items listed above, including the applicant’s concerns, along with other PSA comments.</p>
