**All confidential filings:** Individual documents may not exceed 30 MB<sup>1</sup> or be password protected.<sup>2</sup> The application must be a separate document from the confidential materials. The application itself is not confidential and is a public record. The application will be reviewed and acted upon by the Executive Director in consultation with the Chief Counsel of the Energy Commission. (§ 2505, subd. (a))

If you have questions, contact the Docket Unit at (916) 654-5076 or email: [docket@energy.ca.gov](mailto:docket@energy.ca.gov).

**Existing proceedings:** Applications for confidentiality and the confidential documents must be uploaded directly to the Docket Unit through the e-filing system. Paper copies or CDs do not need to be submitted. Links to the e-filing system are provided on most proceeding webpages labeled “**Submit e-filing.**” Alternatively, go to: <http://www.energy.ca.gov/e-filing/index.html>. Registration is necessary the first time documents are uploaded. Once registration is complete, to submit a confidential filing click on **Quick Actions** from the **DASHBOARD** and select **Submit Confidential e-filing** from the dropdown list. The application must be uploaded first followed by one or more confidential files.

**Filings not associated with any proceeding:** Applications for confidentiality and the confidential materials must be submitted directly to the **Docket Unit** in paper form or on a CD, but not by email. Two copies must be submitted, on separate media if electronic, each marked with a descriptive title and “Confidential.” (§ 1208.1)

- 2. State and justify the length of time the Energy Commission should keep the information or data confidential.

Information labeled as confidential shall remain confidential for three years, until February 25, 2024. Previous applications for the Fuel Gas Sulfur Report were granted confidentiality under Title 20, section 2505(a)(1)(D).

---

- 3(a). State the provision(s) of the Public Records Act (Gov. Code, § 6250 et seq.) or other law that allows the Energy Commission to keep the information or data confidential, and explain why the provision(s) apply to that material.

The California Public Records Act allows for non-disclosure of trade secrets (California Government Code 6254(k) and 6276.44, see also California Evidence Code 1060)

---

- 3(b). Discuss the public interest in nondisclosure of the material submitted for a confidential designation. If the material contains trade secrets or its disclosure would otherwise cause loss of a competitive advantage, please state how it would be lost, the value of the information to the applicant and the ease or difficulty with which the information could be legitimately acquired or duplicated by others.

The information to be protected contains proprietary business information and trade secrets. Disclosure of this information to the public would be harmful to the Valero Benicia Refinery.

---

- 4. State whether the information or data can be disclosed if it is aggregated with other information or masked to conceal certain portions (including but not limited to the identity of the applicant). State the degree of aggregation or masking required. If the data cannot be disclosed even if aggregated or masked, explain why.

The confidential information identified in this application cannot be aggregated. This information is required as part of the quarterly submittal required by the Bay Area Air Quality Management District.

---

- 5. State how the material is kept confidential by the applicant and whether it has even been disclosed to a person other than an employee of the applicant. If it has, explain the circumstances under which disclosure occurred.

This information is kept on secured servers owned by Valero and in a secure location at the Valero Benicia Refinery. This information is only shared with the Bay Area Air Quality Management District through required quarterly submittals.

---

I certify under penalty of perjury under the laws of the State of California that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge and that I am authorized to make the application and certification on behalf of the applicant.
