Hi Keith,

Correct, we aren't planning to participate in the Alamitos proceeding. Please let me know if you need anything more.

Hi Tom,

I hope things are going well for you.

Just to reconfirm our previous phone conversation a couple of months ago, Please confirm again in an email that the Coastal Commission will not be providing the 30413 (d) report for Alamitos or participating in the AFC process. Staff wants assurances that we did not miss anything.

I misplaced our conversation notes.

Thanks
