Dear Mr Celli,

Thank you for requesting our availability before scheduling the evidentiary hearing on November 15, 2016.

For the reasons below, we respectfully request a two-week postponement until November 29, 2016.

First, I will be out of the country from November 6 until November 20. And our volunteer for Los Cerritos Wetlands Land Trust who has helped me so much with research and preparation for our participation in the AEC proceeding will also be out of town.

Second, we are now preparing to introduce evidence and witnesses at the evidentiary hearing for several issues we had hoped would be resolved in the Final Staff Assessment. We will make every effort to engage those experts and prepare for the evidentiary hearing prior to leaving on our trip out of the country. However, we would greatly appreciate an additional week after we return to fully prepare for the hearing. This additional time will allow us to be better prepared, and to offer more concise presentations that will economize the Committee's time while still offering a thorough presentation for consideration in the final decision.

We look forward to your reply. And if needed, we will prepare to discuss scheduling the pre-hearing and hearing schedule on the October 14 status call. We will be prepared to discuss:

--[if !supportLists]--> - <!--[endif]-->this request for a time extension for the evidentiary hearing;

--[if !supportLists]--> - <!--[endif]-->our response to the Committee's Tentative Ruling on Staff's Motion – which we will provide in writing soon, and;

--[if !supportLists]--> - <!--[endif]-->a brief outline of concerns we hope to address in the evidentiary hearing.

We very much appreciate your consideration of our request for the evidentiary hearing to be scheduled for November 29, 2016.

Sincerely,

Elizabeth Lambe
