Subject: Fire Protection at SEGS III - VII

Glen,

Thank you for providing the requested correspondence between NextEra and San Bernardino County Fire Department regarding SEGS III-VII Fire Protection Systems.

Joe Zuccaro, Fire Prevention Supervisor, San Bernardino County Fire Department approved the disconnection of the fire protection systems for the facilities that have been de-energized, providing that all combustible materials are removed.

Can you please confirm that all combustible materials have been removed from the facilities?
