Clean Transportation Program: Workforce Training and Development

April 16, 2021

Larry Rillera, Air Pollution Specialist
Fuels and Transportation Division

Clean Transportation Program

- Formerly known as the Alternative and Renewable Fuel and Vehicle Technology Program
- Established by Assembly Bill 118 (Nunez, 2007)
- Extended to January 1, 2024 by Assembly Bill 8 (Perea, 2013)
- Provides up to \$95 million per year through 2023
- Develop and deploy innovative technologies that transform California's fuel and vehicle types to help attain the state's climate change policies (California Health and Safety Code Section 44272(a).)
- Investment Plan determines funding allocations across various categories

Workforce Investments

Agency	CEC Funding (M)
Employment Training Panel	\$13.50
Employment Development Department	\$8.20
CA Community College Chancellor's Office	\$5.50
