STATE OF CALIFORNIA

Energy Resources
Conservation and Development Commission

In the Matter of:

Application For Small Power Plant Exemption for the SEQUOIA BACKUP GENERATING FACILITY

DOCKET NO. 19-SPPE-03

DECLARATION OF MARCELA DELONG

I, Marcela DeLong, declare as follows:

1. I am presently employed as a Project Architect, Senior Associate for Corgan.

2. I have been retained by CyrusOne, the sole owner of C1-Santa Clara, LLC to be the Project Manager for the permitting of the Sequoia Backup Generating Facility and the Sequoia Data Center.

3. A copy of my professional qualifications and experience was included with the previously filed Opening Testimony Package and is incorporated by reference in this Declaration.

4. I prepared the attached Supplemental Rebuttal Testimony relating to the Staff’s Compiled Revised Initial Study/Mitigated Negative Declaration for the Sequoia Backup Generating Facility CEC Docket Number 19-SPPE-03, dated April 23, 2021 (TN 237528).

5. It is my professional opinion that the attached prepared testimony is valid and accurate with respect to issues that it addresses.

6. I am personally familiar with the facts and conclusions related in the attached prepared testimony and if called as a witness could testify competently thereto.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct to the best of my knowledge and that this declaration was executed at Dallas, TX on April 28, 2021.

Marcela DeLong
DOCKET NO. 19-SPPE-03
DECLARATION OF STEVEN BRANOFF

I, Steven Branoff, declare as follows:

1. I am presently employed as Principal with Ramboll.

2. A copy of my professional qualifications and experience was included with the previously filed Opening Testimony Package and is incorporated by reference in this Declaration.

3. I prepared the attached Supplemental Rebuttal Testimony which our agreement with the modifications included in Staff Compiled Revisions to the Initial Study/Mitigated Negative Declaration for the Sequoia Backup Generating Facility (SBGF) CEC Docket 19-SPPE-3, dated April 23, 2021 (TN 237528).

4. It is my professional opinion that the attached prepared testimony is valid and accurate with respect to issues that it addresses.

5. I am personally familiar with the facts and conclusions related in the attached prepared testimony and if called as a witness could testify competently thereto.

I declare under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct to the best of my knowledge and that this declaration was executed at ___Albany, California____ on April __27__, 2021.

___________________________________
Steven Branoff
I. Name: Marcela DeLong
   Steven Branoff

II. Purpose:
    Our Supplemental Testimony addresses the revised generator technology
    from Tier 2 to Tier 4 compliant generators for the Sequoia Backup
    Generating Facility (SBGF) CEC Docket 19-SPPE-3 and as those
    changes relate to Project Description, Air Quality, Public Health, Hazards
    and Hazardous Materials, Land Use, and Transportation.

III. Qualifications:

   Marcela DeLong: I am presently employed as Project Architect, Senior
    Associate with Corgan, the project architecture firm hired by CyrusOne,
    the owner of C1-Santa Clara, LLC (C1). I have been employed by Corgan
    for the past 8 years. I have a master’s degree in Architecture from Ohio
    State University and I have 8 years of experience developing critical
    infrastructure projects such as data centers.

    I am the Project Manager for the permitting of the SBGF and the Sequoia
    Data Center. I caused to be prepared and reviewed the Application For
    SPPE, as well as the post-filing information, data responses, and
    supplemental filings.

   Steven Branoff: I am presently employed as a Principal at Ramboll and
    have been for the past 20 years. I have a Master of Science Degree in
    Environmental Engineering from the University of California at Berkeley
    and I have 25 years of experience in conducting air quality and public
    health analyses within California and other western states.

    I have been engaged by C1-Santa Clara, LLC (C1) to prepare the Bay
    Area Air Quality Management District Authority to Construct applications
    and the air quality and public health analyses for development of the
    SBGF. I prepared or caused to be prepared the Air Quality section of the
Application For SPPE and Air Quality Technical Reports, as well as the post-filing information, data responses, and supplemental filings.

Detailed descriptions of our qualifications are presented in our resumes which were included in Attachment A to C1’s Opening Testimony package (TN 232420).

To the best of our knowledge all referenced documents and all of the facts contained in this testimony are true and correct. To the extent this testimony contains opinions, such opinions are our own. We make these statements and provide these opinions freely and under oath for the purpose of constituting sworn testimony in this proceeding.

IV. Exhibits

In addition to this written testimony, we will be sponsoring the exhibits listed on C1’s Proposed Additional Exhibit List which will be docketed on or before May 7, 2021.

V. Opinion and Conclusions

We have reviewed Staff’s revisions to the Initial Study/Mitigated Negative Declaration docketed on February 26, 2021 (TN 236919) and its additional revisions to the Compiled Revised Initial Study/Mitigated Negative Declaration (Staff IS/MND) docketed on April 23, 2021 (TN 237528) and agree with the changes and analysis proposed therein. We also agree with the Staff findings and conclusions that the modification to Tier 4 generators does not change any of the findings, conclusions, Proposed Design Measures, or mitigation measures originally approved in the Proposed Decision.
