1516 9th Street, MS-4  
Sacramento, CA 95814

Regarding: In Support of City of San Carlos - 2019 Ordinance No. 1570

Dear Commissioners,

Thank you for all your efforts to decarbonize California.

We write today to support approval of the San Carlos Reach Code. This Reach Code is cost-effective, reduces energy use, and accelerates the process of decarbonizing our built environment. The Reach Code is the result of a long process of public outreach and involvement by City staff, City Council members, designers, builders, and residents.

Thank you for taking action to reduce our City's greenhouse emissions.

Sincerely,

Suzanne Henderson Emerson
