Chief Sustainability Officer
City of Chula Vista

Chula Vista, California 91910

Dear Mr. Gakunga:

On March 24, 2021, the City of Chula Vista submitted a request to the California Energy Commission (CEC) seeking an exemption from the state Building Energy Benchmarking Program (California Code of Regulations¹Title 20 section 1680, *et seq.*) for buildings within the City's jurisdiction. An exemption may be granted by the CEC executive director upon determination that compliance with the City's benchmarking program (Chula Vista Municipal Code section 15.26.050) fulfills the requirements of section 1683. Pursuant to section 1684(b)(1)(A), I have reviewed the request and determined that:

1. The City's adopted benchmarking program includes annual public disclosure of the information specified in section 1684(b)(1)(A)(i).
2. The City has agreed to transmit to the CEC all information that is publicly disclosed for a calendar year by August 1 of the following year, as required by section 1684(b)(1)(A)(ii).

Therefore, I grant the request effective immediately.

If you have any questions, please contact Erik Jensen at (916) 477-1064 or Erik.Jensen@energy.ca.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Drew Bohan".
