Workshop Password: 480235

This California Energy Commission (CEC) Lead Commissioner workshop will include presentations and discussions about the staff draft Building Decarbonization Assessment required by Assembly Bill 3232 (Friedman, 2018). Staff presentations include an overview of the draft Building Decarbonization Assessment and the building decarbonization scenarios developed by staff to assess the feasibility and costs of various building decarbonization strategies. Time will be allotted for public comments.
