**From:** Greg Andersen, Division Chief Code Development & Analysis  
Office of the State Fire Marshal (OSFM-CDA)  
**California Department of Forestry and Fire Protection (CAL FIRE)**

**Subject:** Regulation approval request response regarding 2021 Triennial Rulemaking Cycle modifications to CCR, Title 24, Part 1 and 6 by the California Energy Commission.

This letter is in response to amendments proposed by the California Energy Commission as required pursuant to Health and Safety Code (H&SC), Section 18930(a)(9), "The proposed building standard, if it promotes fire and panic safety as determined by the State Fire Marshal, has the written approval of the State Fire Marshal."

The State Fire Marshal reviewed the following proposed revisions to regulations to Title 24, Part 1 and 6. As a result, the Office of the State Fire Marshal finds no conflict in the proposed changes and therefore, approval is granted.
