Subject: STATUS REPORT #16 FOR THE SAN JOSE DATA CENTER SMALL POWER PLANT EXEMPTION (19-SPPE-04)

In its May 12, 2020 order (Committee Scheduling Order), the Committee ordered all parties to file and serve a Status Report on the 15th of each month, beginning with May 15, 2020.

Since staff filed Status Report #15 on June 15, 2021, staff has continued to work on the Environmental Impact Report (EIR). Staff is reviewing the draft traffic analysis and is looking out for any comments received from the City of San Jose.

Staff is awaiting the revised project description and technical sections from the applicant, anticipated August 20, 2021. Staff continues to make progress on the EIR in those areas unaffected by the change in generator type.
