## **Joint Agency Workshop on Next Steps to Plan for Senate Bill 100 Resource Build: Transmission**

On July 22, 2021, the California Energy Commission (CEC) jointly conducted a workshop with the California Public Utilities Commission (CPUC) and the California Independent System Operator (CAISO) to discuss existing and proposed transmission projects that can potentially support the delivery of resources required to achieve the goals of Senate Bill 100.

Following are the links to the event recordings for both the morning session and the afternoon session.

### **Morning Session**

- Recap of Key Takeaways from June 2, 2021 SB 100 Resource Build Workshop
- How 10-year Resource Planning and Near to Medium-Term Procurement Decisions Relate to Longer Term SB 100 Goals
- Approach to Using SB 100 Resource Portfolios and the CAISO Conceptual Transmission Plan
- In and Out of State Transmission Projects
