Docket Number: 20-FDAS-01

Dear Mr. Steffensen:

NEMA represents nearly 325 electrical equipment and medical imaging manufacturers that make safe, reliable, and efficient products and systems. To better enable us to deliver thorough comments from several NEMA Product Sections in scope of the Commission's Request For Information, we request that a two-week extension of the comment period be provided.

If you have any questions please contact Alex Boesenberg of NEMA at alex.boesenberg@nema.org.

Sincerely,
