Re: Request for Comment Period Extension on Request For Information on Flexible Demand Standards, Docket Number 20-FDAS-01

Dear Mr. Steffensen:

The Pool and Hot Tub Alliance (PHTA) respectfully requests that the California Energy Commission (CEC) extend the public comment period to thirty days after the originally scheduled deadline of October 1, 2021 to give time to properly respond to questions posed in the Request for Information (RFI).

PHTA represents 3,432 company members, including companies that manufacture pool pump controls. To better enable us to have a more complete and thorough response, we ask for your positive consideration of this request.

PHTA and our Members look forward to submitting comments.

Sincerely,
