Hello Joe,

Please see the attached comments from NEBB. Most of these are minor in nature; I don't know if this warrants anything being changed at this point but just more of an FYI.

**Subject:** Comments on the Conditions of Approval?

Hi Jim and Amber,

I've was talking to Tom Meyers last week and he had some comments regarding the proposed Conditions of Approval. I didn't have any issues with Tom's suggestions, but they do need to come from NEBB and not ESCO Group. I will need those comments soon, if you are going to make them; no later than December 31<sup>st</sup>.

Let me know if you are not going to be able to make the 12/31 deadline or are not planning on submitting any comments.

Thanks, Joe.
