IN THE MATTER OF:

2022 Energy Code Compliance Manuals

Docket No. 21-BSTD-04

NOTICE OF COMMENT PERIOD

RE: 2022 Energy Code Compliance Manuals

Notice of Invitation to Comment on the 2022 Energy Code Compliance Manuals

The California Energy Commission (CEC) is providing interested parties with the opportunity to comment on the draft 2022 Energy Code Compliance Manuals.

Background

The CEC approves compliance manuals for each update to the Building Energy Efficiency Standards (Energy Code) pursuant to Public Resources Code Section 25402.1. The public is invited to provide comments to the docket on the draft compliance manuals through January 7, 2022.

The 2022 Energy Code Compliance Manuals provide guidance concerning the 2022 Energy Code requirements in order to help building department plans examiners and inspectors, and building owners, designers, builders, and energy consultants comply with the 2022 Energy Code. The manuals are written as a reference and an instructional guide and can be helpful for anyone that is directly or indirectly involved in the design and construction of energy efficient nonresidential and residential buildings.

Public Comment

Commenters are strongly encouraged to e-file their comments at https://efiling.energy.ca.gov/Ecomment/Ecomment.aspx?docketnumber=21-BSTD-04.

Written comments must be submitted to the Docket Unit by 5:00 p.m. on January 7, 2022. Written comments, attachments, and associated contact information (including address, phone number, and email address) will become part of the public record of this proceeding with access available via any internet search engine.
The CEC encourages use of its electronic commenting system. Visit the e-commenting page at https://efiling.energy.ca.gov/Ecomment/Ecomment.aspx?docketnumber=21-BSTD-04, which links to the comment page for this docket. Enter your contact information and a comment title describing the subject of your comment(s). Comments may be included in the “Comment Text” box or attached as a downloadable, searchable document in Microsoft® Word or Adobe® Acrobat®. The maximum file size allowed is 10 MB.

Written comments may be submitted by email. Include docket number 21-BTSD-04 and 2022 Energy Code Compliance Manuals in the subject line and email to docket@energy.ca.gov.
