Re: El Segundo Energy Center Petition to Amend (00-AFC-014C)
Confidential Cultural Resources Data to Supplement Data Response 78

Dear Mr. Oglesby and Ms. Stora:

On April 23, 2014, California Energy Commission (the "**CEC**") staff ("**Staff**") docketed at the CEC (as TN# 202213) a memorandum requesting supplemental data related to the CEC's Data Request No. 78 for El Segundo Energy Center LLC's ("**ESEC LLC**") Petition to Amend the El Segundo Energy Center (00-AFC-14C) project (the "**Project**"). In response, ESEC LLC hereby submits the compact disks in Attachment A, which contain the requested confidential, cultural resources data (the "**Confidential Information**").

ESEC LLC filed an Application for Confidential Designation of Cultural Resources Records on September 13, 2013, in response to CEC Data Request Nos. 68 – 82. The CEC granted ESEC LLC's request pursuant to that certain CEC Response to Application for Designation of Cultural Resources Records in Response to Data Request Nos. 68 – 82, dated and docketed on October 2, 2013, as CEC TN # 200743 (the "**Confidential Designation**"). Pursuant to the Confidential Designation, any "subsequent submittals related to cultural resources can be deemed confidential" without a new application for confidential designation under California Code of Regulations, Title 20, section 2505, if ESEC LLC files a certification under penalty of perjury that the new information is substantially similar to the information granted confidentiality by the Confidential Designation.

The enclosed Confidential Information pertains to cultural resources records located at and in the vicinity of the Project site. As this Information is substantially similar to the data granted confidentiality under the Confidential Designation, the Confidential Information should be deemed confidential as well and handled accordingly.

ESEC LLC's consultant has not disclosed the enclosed, confidential, cultural resources information to anyone other than its employees, affiliate employees, consultants, and attorneys assisting ESEC LLC with efforts related to the Project. Furthermore, ESEC LLC has not released any of the information contained in the compact disk to any member of the general public, and has prohibited its employees, affiliate employees, consultants and attorneys from releasing to the public any portion of that information at any time.

I certify under penalty of perjury that the information contained in this letter is true, correct, and complete to the best of my knowledge, and that the enclosed Confidential Information is substantially similar to the information granted confidentiality by the CEC's Confidential Designation. As an attorney for ESEC LLC, I am authorized to make the above certification and to submit this letter on behalf of ESEC LLC.
