State of California  
State Energy Resources Conservation and Development Commission

In the matter of:

Lafayette Backup Generating  
Facility

Docket 20-SPPE-02

Robert Sarvey's Petition to Intervene

Robert Sarvey hereby petitions to intervene in the Lafayette Backup Generating Facility. Section 1207 of the Commission's Rules of Practice and Procedure allow that, "Any person may file with the Docket Unit or the presiding committee member a petition to intervene in any proceeding." The petition shall set forth the grounds for the intervention, the position and interest of the petitioner in the proceeding, the extent to which the petitioner desires to participate in the proceedings, and the name, address, and telephone number of the petitioner."

Petitioner is concerned about the GHG and criteria pollutant impacts of the large data centers being located in Santa Clara. All of these large data centers are located in disadvantaged communities. The petitioner will advocate for proper quantification and full mitigation of the projects GHG emissions. Petitioner will advocate for the cleanest generating alternative that is feasible.

Petitioner would like to participate in Public Health, Alternatives, Air Quality, Energy Resources, GHG Emissions and environmental justice. Petitioner intends to participate fully in the proceeding including testimony, briefing, and cross-examination of the parties' witnesses.

Respectfully Submitted  
Robert Sarvey
