Docket No. 19-SPPE-04

SAN JOSÉ CITY DATA CENTER
APPLICANT STATUS REPORT #22

Microsoft Corporation, the applicant ("Applicant") for the Small Power Plant Exemption for the San José City Data Center Project submits this status report in accordance with the Committee Scheduling Order docketed May 13, 2020 (TN: 232976) ("Order").

INTRODUCTION

The Applicant proposes to construct and operate the San José City Data Center ("SJC02") in San José, California. The SJC02 will consist of two, one-story data center buildings and related improvements. The maximum load of the servers, including the cooling and ancillary load of the buildings, is 99 megawatts ("MW"), meaning the SJC02 is subject to the California Energy Commission ("CEC" or "Commission") Small Power Plant Exemption ("SPPE") process.

Data Request Set #6

The Applicant has submitted a Distributed Generation exemption request to the City of San José in respond to the remaining data request (Number 83) in Set #6 (Transaction Number 240942). The exemption request demonstrates the SJC project's eligibility for an exemption consistent with the City of San José Municipal Code Section 17.845. The Applicant will file a response from the City when received.

SCHEDULE

Microsoft believes that Staff has all of the information necessary to prepare the DEIR on or before December 23, 2021.
