**Subject: STATUS REPORT #4 FOR THE GILROY BACKUP GENERATING FACILITY
SMALL POWER PLANT EXEMPTION (20-SPPE-03)**

In its COMMITTEE SCHEDULING ORDER AND FURTHER ORDERS docketed September 23, 2021, the Committee directed parties to file Monthly Status Reports on or before the 10th of each month.

Staff has commenced work on a draft Environmental Impact Report (DEIR), which we expect to publish within 60 days of acknowledging in a status report that we have no further data requests, consistent with the Committee's order.

Staff received the applicant's responses to Data Request Set 4 on December 10, 2021. However, staff continues to wait for responses to prior data requests, as documented in the attached table. In addition, staff may have follow-up data requests after receiving the applicant's pending responses to these prior data requests. For these reasons, staff is not prepared to start the 60-day clock on DEIR publication.
