VDC STATUS REPORT 4

Vantage Data Centers (VDC), in accordance with the Committee Scheduling Order dated, October 26, 2021 (TN239992), hereby files its Status Report Number 4 for the CA3 Backup Generating Facility (CA3BGF) and CA3 Data Center (CA3DC).

VDC continues to advance the project and eagerly awaits Staff's publication of the Draft EIR on or before January 23, 2022. As the Committee is aware, VDC has a tenant that would like to occupy a portion of the data center as soon as possible. Once the Draft EIR is reviewed, VDC anticipates filing a motion to accelerate the evidentiary hearing schedule.
