Hello Mr. Hong,

Looks perfect, matches the PDF I filed.

It's computer code, a database administrator will understand it.

I believe the Energy Commission hopes the public will understand it.

Please file this email in 21-OIR-03.

Thanks for asking.

Steve

OIR-21-03 Disappearing MIDAS records

In MIDAS "ValueData" realtime tables for RINs at times all data is null.
API call: https://midasapi.energy.ca.gov/api/ValueData/XXXX-XXXX-XXXX-XXXXXXXXXX?querytype=realtime

Seach for "all null".
