Chorro Valley Multi-Use Pathway Requirement

The San Luis Obispo County Parks and Recreation Element, of the County's General Plan, identifies the "SLO to Morro Bay Connector" which is a separated multi-use class I pathway connecting the City of San Luis Obispo to Cuesta College and the City of Morro Bay, on land adjacent to Highway 1. (see page 100 of below link to Parks and Recreation Element Project List):

<https://slocountyparks.com/wp-content/uploads/2015/09/SLO-Parks-Rec-Element-Project-List.pdf>

Below is a link to the Chorro Valley Trail Feasibility Study and Implementation Plan for the multi-use pathway.

<https://www.slocog.org/programs/regional-planning/chorro-valley-trail>

The Pecho Energy Storage Center Project would need to adhere the County's Parks and Recreation Element and would be conditioned to provide pathway easements and potentially pathway facilities as part of the conditions of permit approval(s).
