### **Comment on potential open filing for AB841 grants**

On behalf of public school districts in disadvantaged communities who are still working through the program requirements and options to potentially file grant applications for AB841 funding, if since the first filing round the program was undersubscribed CEC decides to open the program up to districts in non-disadvantaged communities, I respectfully ask that funding priority in all future rounds first be given to those districts in disadvantaged communities.

Best Regards,  
Robin Griffin
