**RE: REPEATED APPLICATION FOR CONFIDENTIAL DESIGNATION for the  
Basis of Design Narrative for Calistoga Geothermal Project, Unit 19 (81-AFC-01C)**

Dear Mr. Bohan:

Pursuant to Sections 2501 *et seq.*, of Title 20 of the California Code of Regulations, Geysers Power Company (“GPC”) hereby submits this Repeated Application for Confidential Designations for the Basis of Design (“BOD”) Narrative describing the fire protection and life safety systems designed to protect GPC’s Calistoga Geothermal Project, Unit 19, hereinafter “Repeated Application.”

By your letter dated February 2, 2022, “the BOD records, which include detailed information about the design and operation of the fire protection and related systems now installed or being installed at Geysers Units 3, 16, 17, 18, 19, and 20 are granted confidential designation for the life of the Geysers or until such time as they may be publicly released.”<sup>1</sup> This Repeated Application similarly seeks confidential designation for the BOD Narrative for Unit 19 for the life of the geothermal project. This Repeated Application is being submitted because the Basis of Design Narrative for Unit 19, dated March 25, 2022, contains information that is substantially similar to the previously submitted information that was granted confidential designation by your February 2<sup>nd</sup> letter, and all facts and circumstances relevant to the confidentiality remain unchanged.

I certify under penalty of perjury that the information contained in this Repeated Application is true, correct, and complete to the best of my knowledge and belief. I am authorized to make this repeated application and certification on behalf of GPC.

Sincerely,

/s/
