**RE: REPEATED APPLICATION FOR CONFIDENTIAL DESIGNATION for the  
Basis of Design Narrative for Lakeview Geothermal Project, Unit 17 (79-AFC-01C)**

Dear Mr. Bohan:

Pursuant to Sections 2501 *et seq.*, of Title 20 of the California Code of Regulations, Geysers Power Company (“GPC”) hereby submits this Repeated Application for Confidential Designations for the Basis of Design (“BOD”) Narrative describing the fire protection and life safety systems designed to protect GPC’s Lakeview Geothermal Project, Unit 17, hereinafter “Repeated Application.” This BOD Narrative for Unit 17 is dated April 11, 2022. This is a revision from the February 21, 2022 BOD Narrative for Unit 17 that was provided to the Commission on March 8, 2022 and approved for confidential designation on March 21, 2022.<sup>1</sup>

By your letter dated February 2, 2022, “the BOD records, which include detailed information about the design and operation of the fire protection and related systems now installed or being installed at Geysers Units 3, 16, 17, 18, 19, and 20 are granted confidential designation for the life of the Geysers or until such time as they may be publicly released.”<sup>2</sup> This Repeated Application similarly seeks confidential designation for the BOD Narrative for Unit 17 for the life of the geothermal project. This Repeated Application is being submitted because the Basis of Design Narrative for Unit 17, dated April 11, 2022, contains information that is substantially similar to the previously submitted information that was granted confidential designation by your February 2<sup>nd</sup> letter, and all facts and circumstances relevant to the confidentiality remain unchanged.
