Docket No. 19-SPPE-04

**SAN JOSÉ CITY DATA CENTER  
APPLICANT STATUS REPORT #26**

Microsoft Corporation, the applicant (“Applicant”) for the Small Power Plant Exemption for the San José City Data Center Project submits this status report and request to combine and schedule the PreHearing Conference and Evidentiary Hearing in accordance with the *Committee Scheduling Order* docketed May 13, 2020 (TN: 232976) (“Order”).

**INTRODUCTION**

The Applicant proposes to construct and operate the San José City Data Center (“SJC02”) in San José, California. The SJC02 will consist of two, one-story data center buildings and related improvements. The maximum load of the servers, including the cooling and ancillary load of the buildings, is 99 megawatts (“MW”), meaning the SJC02 is subject to the California Energy Commission (“CEC” or “Commission”) Small Power Plant Exemption (“SPPE”) process.

**Ruling on Applicant’s Motion for Adjustments on the Scheduling Order**

The Committee has issued its ruling (Transaction Number 242547) on the Applicant’s motion (Transaction Number 242468) for adjustment to the Scheduling Order denying the Applicant’s request to adjust the scheduling order, to require intervenors to explain why issues raised in opening testimony were not previously identified in comments on the Draft Environmental Impact Report, and to combine the prehearing conference and evidentiary hearing, while leaving open the possibility to combine these at a later date without the need for a motion.

**Opening Testimony**

The Applicant (Transaction Number 242539) and Staff (Transaction Number 242605) have both filed opening testimony on April 4<sup>th</sup> and 7<sup>th</sup>, respectively. As of April 15, 2022, only Staff and the Applicant have filed opening testimony. As the Applicant is in agreement with Staff’s Final Environmental Impact Report and Addendum, Reply Testimony and Prehearing Conference Statements are unnecessary. Therefore, the Applicant respectfully requests the Committee schedule a combined Prehearing Conference and Evidentiary hearing at its earliest convenience.
