Support for Agenda Item 5h, April 26 2022 Business Meeting

Cleantech San Diego supports the proposed resolution approving Agreement EPC-21-024 with Communities for Global Sustainability â€“ C4GS LLC for a \$1,000,000 grant to design an affordable, carbon-free, multi-use housing community in San Diego, and adopting staff's determination that this action is exempt from CEQA. The community will maximize energy efficiency, reduce energy demand, integrate renewable energy, and minimize embodied carbon.
