Each physical location will be publicly accessible; the public can also access the meeting via remote teleconference as described below. The meeting may be recorded.

Background

Assembly Bill 1657 (Garcia, Chapter 271, 2020) (AB 1657) requires that the California Energy Commission (CEC) establish and convene the Blue Ribbon Commission on Lithium Extraction in California (referred to as the Lithium Valley Commission), which is charged with reviewing, investigating, and analyzing certain

issues and potential incentives regarding lithium extraction. Additionally, the Lithium Valley Commission is required to submit a report to the legislature documenting its findings and recommendations on or before October 1, 2022.

More information about the Lithium Valley Commission can be found on the CEC's [Lithium Valley Commission webpage](https://www.energy.ca.gov/LithiumValleyCommission) at <https://www.energy.ca.gov/LithiumValleyCommission>.

CEC commissioners may also attend and participate in the meeting, but no votes will be taken by them.

Public Comment

Oral comments. The Lithium Valley Commission will accept oral comments on each agenda item during the meeting, as well as general comments about any topic relevant to the Lithium Valley Commission towards the conclusion of the meeting. Comments will be limited to three minutes or less per speaker per agenda item, and one speaker per organization. Any comments become part of the public record. If participating via Zoom's platform, see detailed instructions above. Additionally, the CEC's Public Advisor, who provides the public assistance in participating in CEC proceedings, may upon the request of public participants who may be absent during the meeting when a matter of interest to them is being considered, neutrally and publicly relate those participants' points to the Lithium Valley Commission on behalf of members of the public. If you are interested in this service, please email concise comments, specifying your main points, before the start of the meeting to the Public Advisor at publicadvisor@energy.ca.gov. Comments submitted after the meeting

starts will be filed in the Lithium Valley Commission docket. The CEC will work diligently to accommodate all requests.

Written comments. Please note that written comments, attachments, and associated contact information (including address, phone number, and email address) will become part of the public record with access available via any internet search engine.

Written comments may be submitted through one of the following three options:

- 1) Submit comments to the CEC's Docket Unit. The CEC uses an electronic commenting system to accept comments. Please follow the instructions below to provide written comments:
