## **Offshore wind**

Good afternoon,

My name is Alex Mireles I'm Vice President of LiUNA, Local 585 in Ventura County. I represent close to one thousand Union laborers in Ventura County.

Offshore wind will deliver significant benefits to local communities. It will help the environment as we transition to renewable energy, create good paying middle class jobs with a Project Labor Agreement.

We need California to set a minimum goal of at least 5 gw of offshore wind by 2030 and 20 gw by 2045.

LiUNA is ready with a skilled, qualified, and diverse work force to help complete the projects and infrastructure to support it.

Thank you for your time,

Alex Mireles, Vice President  
LiUNA, Local 585
