Conservation and Development Commission

In the Matter of:

Application For Small Power Plant
Exemption for the **CA3 Backup
Generating Facility**

DOCKET NO: 21-SPPE-01

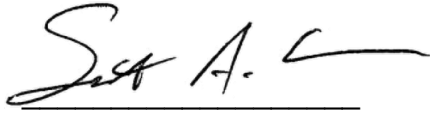

**VANTAGE DATA CENTERS'
REQUEST FOR SPECIAL BUSINESS
MEETING**

Vantage Data Centers (VDC) hereby Requests the Commission schedule a Special Business Meeting to allow a Final Decision on the Small Power Plant Exemption for the CA3 Backup Generating Facility. As discussed in prior motions and status reports, Vantage has been driven by the timeline of its tenants to begin construction on the CA3 Backup Generating Facility and Data Center as soon as possible. Vantage has retained its contractors and is ready to begin construction immediately after approval. Obtaining a Final Decision before the August regularly schedule Business Meeting would allow Vantage to schedule approval by the City of Santa Clara as soon as possible. As the Committee is aware, Staff and VDC are the only parties. There are no intervenors and there were no public comments made at either the PreHearing Conference or Evidentiary Hearings.

Therefore, Vantage respectfully requests the Committee finalize the Proposed Decision and the Commission schedule a Business Meeting to approve the SPPE as soon as practical and before the next regularly scheduled Business Meeting in August.

Dated: July 6, 2022

Respectfully Submitted,

A handwritten signature in dark ink, appearing to read "Scott A. Galati", with a horizontal line underneath.
