No To Lithium Valley Project

Is there a California Federal Tribal Native American Legislator/ commissioner(s) - who is representing Native American Tenor landright(s) to be secured? Is there a California Federal Tribal Mental Health Commissioner involved; to represent & secure the Native American Mental Healthcare rights, threatening the Native American Cultural livelihood? Is there a California Native American Tribal Commissioner involved to heighten International Pressure, while those like myself whom speak on this Lithium Valley Project matter- our tribal lives have no lively Sovereignty due to lack thereof Tribal Council Leadership, continually threatening our personal livelihood - pressuring to oppress our voice to say NO! Our ancestors cry NO, Our Native American Political Activist Leadership, elders, mentally ill, Native Military, disabled, homeless, Native American human trafficking, MMWR - have no voice- whom are their current commissioners) involved to protect their voice and say in this Native American Tenor Landright issue? Native American California Tribal Federal Lands never relied on Economic Extraction, We fought for our land to save our Tribal medicine i.e.- Ca. Greasewood, various sage, lavender, arrowhead, willow red, mesquite, cottonwood, Palo Verde, sweet grass, etc.... All Federal Tribal Native American Tribally Enrolled Members of California, have the given right to know- that we are yet again being robbed, due to self gain, while we witness mankind mitigate
Thus will not happen in our time right now, we must let- Mother Earth heal...
