DSGS Participant Application Check List

Demand Side Grid Support (DSGS) Program

Eligible participants must enroll with a DSGS provider by submitting the information listed below in a format provided by the DSGS provider.

Eligible participants are individual customers or aggregators of a DSGS provider if they are not any of the following:

- Eligible to participate in demand response, net energy metering, or emergency load reduction programs offered by entities under the jurisdiction of the Public Utilities Commission.
- Receiving payment or accounting for the same reduction in use of electricity through any other utility or state program.
- Co-generation facilities with a power purchase agreement.

For more information on the DSGS Program, including the DSGS Program Guidelines and other program materials, please visit the [DSGS Program website](https://www.energy.ca.gov/programs-and-topics/programs/demand-side-grid-support-program) at <https://www.energy.ca.gov/programs-and-topics/programs/demand-side-grid-support-program>.

- Legal name of the participant.
- Participant contact's name, title, email address, and phone number.
- Information on the load reduction resources the participant will use during a DSGS program event, including:
 - Types of available resources, including the applicable loading order category (for example, demand response or efficiency resource, renewable or zero-emission resources, or diesel backup generator or other conventional resource, or any combination of the above).
 - Address where participant will deploy each resource.
 - Expected load reduction amount (in megawatts) for each resource.
 - Indication of which incentive structure the participant would like to enroll in for each load reduction resource.
 - Description of any constraints on the participant's ability to be available for the maximum dispatch length described in the DSGS Program Events and Notification Process in Chapter 4 of the Guidelines.

- Attestations, submitted under penalty of perjury, that:
 - The participant meets the eligibility requirements of the DSGS Guidelines.
 - The participant is able to meet the minimum resource availability requirements in the DSGS Program Events and Notification Process in Chapter 4 of the DSGS Program Guidelines
 - The participant will allow the CEC access to all documentation in order to verify compliance with the program.
 - The information submitted is accurate and complete.
 - The participant agrees to the terms and conditions of the program.
- Any other information the DSGS provider deems necessary.
