Subject: **Open Docket for 2022 California Utility Allowance Calculator**

The Building Standards Branch requests a new docket to support updates to the California Utility Allowance Calculator (CUAC). Updates may result in the incorporation of the CUAC into the California Building Energy Code Compliance (CBECC) software to support statewide housing programs. This docket will be used to document public interaction regarding updates to the CUAC and related supporting documents.

The docket should be titled: **22-BSTD-05: 2022 California Utility Allowance Calculator**. Add the following CEC subscription lists to this docket: Building Energy Efficiency Standards and California Utility Allowance Calculator. Please send notification when opened, and include the following individuals on the internal distribution list:
