Proceeding or Project Name: NEBB Title 24 ATTCP Program  
Docket Number: 13-ATTCP-01, TN # 214643

Dear Ms. Paul,

This letter constitutes confirmation that NEBB's application for confidential designation for the materials provided under our 2016 ATTCP updated training materials submission to the Energy Commission is substantially similar to the previously submitted information and deemed confidential by the CEC August 1 and that all facts and circumstances relevant to confidentiality remain unchanged per California Code of Regulations, title 20, section 2505, subsection (a) (4)

We hope that the California Energy Commission finds this application for confidential designation acceptable. Please do not hesitate to contact us if you have any questions regarding this application.

I certify under penalty of perjury under the laws of the State of California that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge and that I am authorized to make the application and certification on behalf of the applicant.

Best regards,

Bohdan Fedyk,  
Technical Director & Title 24 Program Lead
