(EXTRAORDINARY) TENTH AMENDMENT

NOTE: ... to the *APPLICATION FOR APPROVAL OF NLCAA, (THE NATIONAL LIGHTING CONTRACTORS ASSOCIATION OF AMERICA), AS A LIGHTING CONTROLS ACCEPTANCE TEST TECHNICIAN PROVIDER. (Rev 04)*

... Consists of adding the following text to APPLICATION Page 16:

“NLCAA, or their agents or proxies, shall allow until March 15th 2017 for their Field Technician or Employer associates to complete the Online Acceptance Code Update Training¹ for the 2016 “Code Cycle”. Failure to complete the Online Acceptance Code Update Training¹ by this time will result in NLCAA instituting a Complaint Procedure¹ against the offending party or parties.”

ϕ 10-103-A (c) B. (vi) **Recertification**

If, (in the opinion of the majority of Directors of NLCAA) - "... each time the Building Energy Efficiency Standards (are) updated with new and/or modified acceptance test requirements." – is occurring with excessive frequency, or that changes are too insubstantial, to require "Recertification" under ϕ 10-103-A (c) B. (vi) – NLCAA certified Lighting Controls Acceptance Test Technicians, or NLCAA certified Lighting Controls Acceptance Test Technician Employers shall not be required to undergo "Recertification Training¹": Said NLCAA certified persons shall, rather, undergo "Acceptance Code Update Training¹".

"Acceptance Code Update Training¹" will not require the signing of a new "NLCAA Lighting Controls Acceptance Test Employer Associate Contract" or "NLCAA Lighting Controls Acceptance Test Technician Associate Contract". Acceptance Code Update Training¹ may/or may not require a quiz to complete.

NLCAA reserves the right to present either: "Acceptance Code Update Training¹" or "recertification training¹" by any avenue presented to address:

"... The Certification Provider(s) shall provide reasonable access to certification ... class availability"

The anticipated length of recertification training¹ is 8 hours – (minimum)

The anticipated length of Acceptance Code Update Training¹ is 2 hours – (minimum)

NLCAA, or their agents or proxies, shall allow until March 15th 2017 for their Field Technician or Employer associates to complete the Online Acceptance Code Update Training¹ for the 2016 "Code Cycle". Failure to complete the Online Acceptance Code Update Training¹ by this time will result in NLCAA instituting a Complaint Procedure¹ against the offending party or parties.

"... (re)certification costs commensurate with the complexity of the training being provided ..."

The charge for recertification training and examination shall be \$400.00

The charge for Acceptance Code Update Training shall be ~~\$110.00~~ \$150.00

ϕ 10-103-A (c) B. (vi) **Recertification**

If, (in the opinion of the majority of Directors of NLCAA) - "... each time the Building Energy Efficiency Standards (are) updated with new and/or modified acceptance test requirements." – is occurring with excessive frequency, or that changes are too insubstantial, to require "Recertification" under ϕ 10-103-A (c) B.
