**Subject: CALCTP Lighting Controls Acceptance Test Adjustments to the 2022 Training,
Response to 10/19/2022 CEC Staff Feedback Update**

Dear Daniel,

ICF, in its capacity as program administrator for the California Advanced Lighting Controls Training Program (CALCTP), is submitting an update to its approved application to the California Energy Commission (CEC) as outlined in 2022 Energy Code, defined in § 10-103.1(f). In addition, CALCTP is addressing the information outlined in the updated report guidance letter dated October 19, 2022.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Nardoni".
