Acceptance Test Employers currently under certification of NLCAA	16	78	97	118
Acceptance Test Employers with certifications revoked during the reporting period	0	0	0	0
Acceptance Test Employers with certifications surrendered during the reporting period	0	0	0	1
Acceptance Test Employers with certifications under suspension on last day of the reporting period	0	0	0	0
Total of Acceptance Test Employers	118			

Initial mandatory audit form

On their first acceptance test, Acceptance Test Technicians and their employers must fill out a nine page audit form and upload it to our software. NLCAA reviews the completed forms to see if there is any answer to the question that may indicate a lack of understanding on testing procedures. If there is an issue we email them back for further explanation or clarification. The intent is to help both employer and technician adhere to Standards.
